Fabric Locator: If you need to match a specific fabric color, please print, complete, staple this form to your sample swatch, and send to the address below. The fee for this service is \$50 if we are successful and your order is placed. The fee will be charged to your credit card once your order is made. We do not guarantee we will find a match in your color. If we do have a color match, but in a different fabric type, you will be notified by email where you can reply then accept or reject.

My Own Fabric: If you have purchased your own fabric and wish to have your shirts made in that fabric, there is no charge for this service. Please follow these steps:

1. Complete your custom order on the FridayShirts website. Make sure to list in the notes while ordering that you are requesting the "My Own Fabric" service.
2. After your order on the website has been completed, print and complete this form.
3. Print a copy of your invoice/order receipt that you received in email from FridayShirts! after the custom order was made.
